1. Issuer

- Acquisition or disposal of voting rights
- Acquisition or disposal of financial/other instruments
- Event changing the breakdown of voting rights
- Other (please specify under 10.)

2. Reason for the notificationⁱⁱ

b) Tick this box only if the filing is made after the deadline stipulated in Sec. 130 para. 1 BörseG (two trading days at the latest).

c) Please choose the relevant issuer.

d) Please choose one or more reasons for the notification. In the example above, both shares (voting rights) and financial instruments were acquired.

First name	John
Surname	Doe
4. Name of shareholder(s) (if different from 3.)^v	A ltd
5. Date on which the threshold was crossed or reached^{vi}	01/01/2016

e) Point 3 has to be filled in from the perspective of the **ultimate controlling natural or legal person**.

In example above, only A ltd and B ltd purchased shares / financial instruments. However, John Doe controls both companies and therefore holds shares/financial instruments indirectly. Consequently, **John Doe** is the ultimate controlling natural person. Therefore, select “Natural Person” and fill in John Doe as **person subject to notification**.

Details concerning company A ltd and B ltd have to be declared under 8 (see below).

f) Please state the name of the shareholders directly holding voting rights (shares), which are attributed to the person subject to notification according to Sec. 133 BörseG entered in 3. In the example above only A ltd holds shares. B ltd just holds financial instruments.

g) Please enter the settlement date for acquisition/disposal of shares (voting rights). Please enter the trading date for acquisition/disposal of financial/other instruments. If only a subsidiary but not the ultimate controlling person crossed a threshold, please enter the corresponding date on which the subsidiary crossed the threshold.

The total positions under 6 provide an overview of the changes since the last notification from the perspective of the ultimate controlling natural or legal person. With this overview investors will be able to understand which changes have occurred without looking up the previous notification.

h) Please enter the **total number of voting rights** (normally the total number of shares issued). This number will be used for the calculation of voting right proportions (%) under 7.

In the example above, XYZ AG issued 1.000.000 shares.
